**Last updated:** March 02, 2026

SelecTechnical Institute is committed to providing a website that is accessible to the widest possible audience, regardless of technology or ability. We aim to conform to the Web Content Accessibility Guidelines (WCAG) **2.1 Level AA** and follow guidance from the U.S. Department of Justice on accessible websites for businesses open to the public.

### Our Accessibility Efforts

- Designing, developing, and testing pages for keyboard access, sufficient color contrast, clear focus indicators, proper headings, and descriptive alternative text for images.
- Ensuring forms include clear labels, instructions, and error messages, and that links use meaningful text.
- Progressively converting essential PDF documents into accessible HTML and/or ensuring that posted PDFs are properly tagged for screen readers.

### Alternatives for Documents

Some content is provided as downloadable PDFs (e.g., Student Catalog, Tuition & Fees, Code of Conduct, Enrollment Agreement). If you need an alternative format or an accessible version of any document, please contact us using the information below, and we will provide assistance.
